CITIZENSHIP & COMMUNITIES

What is a community? Communities are groups of people who live close together. They share resources and support each other. You are a member or citizen of small and big communities.

intro to topic

DAY 2

We are members of lots of different communities.

There are communities you are in everyday, like your home, school, and neighborhood. Your communities take care of you and support you.

There are big communities like the city, state, and country you live in. The world is one big community. Communities try to work together to support each other and protect each other.

What makes a group of people a community?

THINK ABOUT IT

personal reflection

LET'S TRY IT!

You belong to lots of communities. Let's think about your different communities.

How do you help someone in your school community?

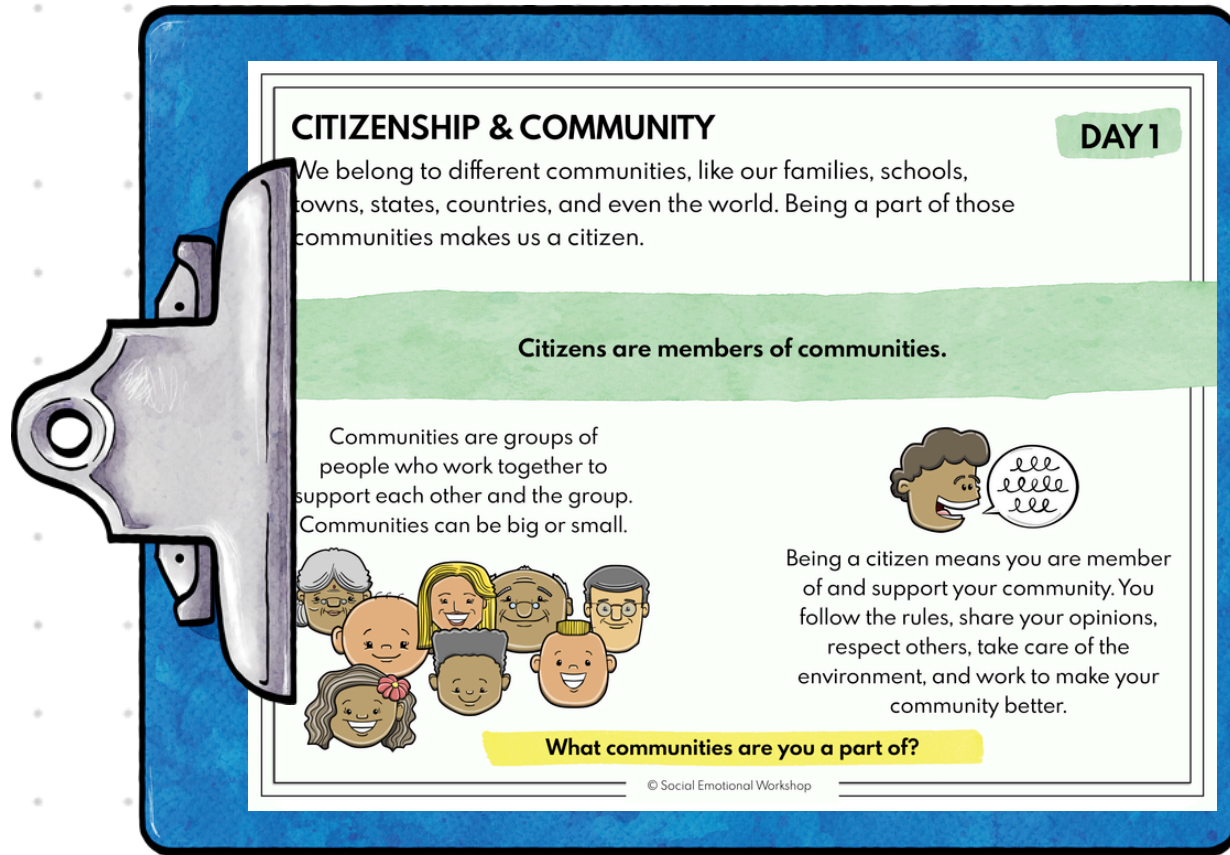

What rules do you follow at home?

How do you take care of the environment in your town?

GRADES 3-5

Social Emotional
Workshop 

Hi! I'm Laura

I create research-driven, uncomplicated tools and resources that help students build social and emotional skills in the classroom and counseling.

During ten years as a school psychologist, I wore all the hats - but the one I never took off was supporting my colleagues.

Whether you're a first-year counselor or a seasoned teacher, I want you to have the tools you need to support each student.
