RELATIONSHIPS

We have important relationships in our community. Your school community is your school. Trusted people in your communities, like a helpful neighbor or your teacher.

intro to topic

DAY 4

Communities are safe places to play and learn.

We belong to different communities. Your communities might be your neighborhood, your school, or maybe your baseball team.

There are people in your community who aren't family or friends, but they are people you trust. It might be your neighbor, teacher, or coach.

Communities support you by giving you a safe place to play and learn. Everyone in the community looks out for each other.

Social Emotional
Workshop 

Hi! I'm Laura

I create research-driven, uncomplicated tools and resources that help students build social and emotional skills in the classroom and counseling.

During ten years as a school psychologist, I wore all the hats - but the one I never took off was supporting my colleagues.

Whether you're a first-year counselor or a seasoned teacher, I want you to have the tools you need to support each student.
